Connecticut Mission of Mercy Free Dental Clinic

A Message from Richard Porth

President/CEO of United Way of Connecticut

Connecticut Mission of Mercy, often referred to as CTMOM, is a two-day dental clinic that provides free dental care to underserved and uninsured Connecticut residents.

This year CTMOM will be held at Windham Middle School on April 13 & 14. **Windham Middle School is located at 123 Quarry Street, Willimantic, CT 06226. Clinic doors will open at 8:00 AM** on both days and those seeking dental care will be seen on a first come, first served basis.

Going without dental care is detrimental to oral and overall health and can result in gum disease and increase your risk of serious health problems such as heart attack and stroke. The Connecticut Foundation for Dental Outreach (CFDO) in collaboration with the Connecticut State Dental Association (CSDA) began offering free dental care through the Mission of Mercy project in 2008.
